MISSION

The Trinity Public School, is a unique school community that works in collaboration with students and parents to provide quality education in a positive and supportive environment. The school achieves this goal by creating and implementing a world class curriculum that ensures that children are healthy, safe, disciplined, engaged, supported, challenged and prepared for the rigors of the current century. We honour achievement and promote pride in ourselves, in our school and our country.

CHAIRMAN'S MESSAGE

I am immensely pleased to present before you the prospectus of Trinity Public School. My unwavering millisecond, education needs to evolve too.

The educational initiative of the Barkaat Foundation has accepted this challenges by establishing a chain of Trinity Public School in various parts of the country so that they help bring about a change in the future youth of the country.

It is our constant endeavour to provide Quality Education coupled with sound character building by blending Indian Culture and heritage with an internationally accepted educational system. Trinity Public School strives for precisely that the infrastructure and team of dedicated staff makes up for the ideal education ambience.

It is my firm belief that Child's mind is a universe full of possibilities. It needs the right environment to develop to its maximum potential at school and at home. As the saying goes, 'A child's mind is like a dry sponge ready to soak, all you need to do is to take it to the clean water.

With best wishes,
MUKHTAR ALAM

VALUES INCULCATION

At TPS, scholastic excellence goes hand in hand with character building. A strong emphasis on values and knowledge of our rich and varied culture blended with entirely global approach to education ensures a holistic development of young minds. Further, the school celebrates most festivals in the traditional way which develops an appreciation for diverse cultures and inculcates sound moral values by imbibing the best of all cultures and religions. In addition, students are encouraged to take initiative, be original, honest, to believe in themselves and to work independently and honestly.

FOSTERING LEADERSHIP, RESPONSIBILITY AND DISCIPLINE

Bringing out the leader in every child is a constant effort at TPS. Through examples and encouragement, the qualities of leadership, responsibility and discipline are nurtured amongst the children. TPS discipline is not something imposed externally on the child. Discipline is all about self-management which is inculcated by embedding sound traditional values and social sense.

CHIEF PATRON

In today's world, we need people who are alert and sensitive, people who are the seeker to knowledge and wisdom. Today children need to start off early to match steps with of better still, outpace the pace of development. The challenge before the Teachers and Parents is how we can educate our children according to the present-day needs. It is possible by learning to know, learning to do, learning to be authentic and learning to live together.

Trinity Public School epitomize a way of education that embraces the best to the east and the west, the best of the modern and traditional, to prepare your child to become a genuine world citizen. This is being achieved by our efforts to discover and nurture the special gifts embedded in each student and inspiring them to attain peak potential to face the complexities of life with courage and lead a disciplined life. Our aim to inculcate ethical and moral values in a child by providing an appropriate moral and cultural environment so that youthful energy is harnessed to make them socially responsible citizens of the country.

I invite you to come and join us in our movement to identify the latent potentials of your child by our innovative pedagogy of educational system. Give him/her the opportunity to excel in his/her chosen area, be it sports academics, art, music or any other intellectual pursuit at Trinity Public School.

Wishing you the very best
SHAHEENA MUKHTAR

FROM THE DESK OF MANAGING TRUSTEE

Life is a journey of learning, from every source and opportunity, every interaction, success, failure, achievement. This path of exploration and discovery, taking small but sure steps towards excellence, is what education is all about.

Today is the age of exponential change new and innovative technologies are emerging everywhere in the field of education. Technology in education is revolutionizing in the lives of children by providing access to vast information in a manner not seen in the traditional system of education. The founding body of Trinity Public School of which I as the Managing Trustee like to assure the parents and their wards that BARKAAT FOUNDATION shall not leave any stone unturned to prove the missionary worth of the education venture to their entire satisfaction.

Our teachers are well qualified and share a passion for teaching, thereby bringing out the best in both themselves and their students. We edify our students in classical as well as contemporary models of learning while giving them a solid foundation in cultural insights of the world.

Finally, I would like to conclude my message with a quotation from Swami Vivekananda's saying-

"We want that education by which character is formed, strength of mind is increased, the intellect is expanded and by which one can stand on one's own feet".

Wishing you the very best
SALIK MUKHTAR

A FEW WORDS FROM THE DESK OF ACADEMIC DIRECTOR

An experienced teacher/Principal/Academic administrator for more than five decades.

The mission of **Trinity Public School** must be to help young minds grow in a harmonious environment resulting in an all-round progress of school children. The school management under the dynamic leadership of the chairman, managing trustee, the active leadership of the principal, well-wisher. I hope and believe on the basic philosophy which focus on the satisfaction of the student inquisitive mind through charity, understanding learning in a very stress-free environment.

I heartily wish that the educative venture of BARKAAT FOUNDATION the trust that establishes **Trinity Public School** shall prove to be the best school comparable to the repute of national and international institution.

I wish this education venture a grand success.

MANAN OJHA

FROM THE DESK OF PRINCIPAL

I have the privilege to welcome you all to Trinity Public School. This is the prestigious institution in North 24 Parganas that provides unique opportunities for the development of the young minds in a secular and conducive atmosphere. We are a co-educational institute, welcoming students from a wide zone around North 24 Parganas. Trinity Public School offers opportunities for all students to achieve excellence in academic, cultural, artistic, sporting and community endeavours. We provide an inclusive, caring environment which fosters collaborative learning and positive relationships, we endeavour to provide each student with a curriculum which both challenges and inspires them to reach their individual potential. They are allowed to grow and learn in a safe, creative and holistic environment that is constantly evolving to meet their needs.

We believe in the unique perfection that exists within each individual, and trust that it can be polished through academic and emotional guidance from the school faculty. There is a spark of genius in every student which needs a teacher to kindle it. We as facilitators, try to imbibe in our students the value of courage, honesty, curiosity along with a spirit to work hard and excel at what they put their mind to, nourishing an achiever, meant to make the world a better place with their skills and knowledge.

I firmly believe in the great saying of the great educator and world fame saint "Swami Vivekananda"- "Arise Awake and stop not till the goal is achieved". Our goal is education with moral values and character building to educate the children for very good human being.

I firmly believe that parents' role in the child's educational development is crucial. It is the parents, who are the first GURU of the child. So we create mutual respect and strive to establish continuous communication between Parents, Teachers and Administration.

Let us work together towards a better world for our children! It is our strong belief that children acquire skills and knowledge easily if the surrounding is stimulating and purposeful.

Thanking You
TAHSEEN MAHMOOD
