At St. Augustine's we are very proud of our ethos where we set high standards and expectations for our students. From the moment a new student joins this school we inculcate in them a sense of happiness and belonging since this is essential to their future success. Our state of the art facilities and dedicated staff enable us to deliver our curriculum in an environment that is intimate, friendly and attuned to every specific educational need. Here Co-Curricular Activities are treated at par with academics and students are nurtured to achieve all round excellence.

I feel privileged to lead such an exciting and vibrant school which offers great opportunities for young people. It is humanity's common goal to build the character of the leaders of tomorrow.

Come and experience the difference for you and your child !

VISION

All school activities are driven by the school vision - “With the winds of change we aspire to create a learning environment, inculcate values, promote all round excellence to build global citizens”.

WINDS OF CHANGE

We are acknowledged by leading newspapers as “fast movers and early adopters” since we are pioneers for unique initiatives :

- “One term one book” for primary
- Parent Engagement Program
- Monthly online parent teacher meeting
- Uninterrupted online classes
- Assessments and exams are being conducted online. First school to deliver books to students at home during the lockdown (Reported in The Telegraph)
- First school to conduct online events : Prize Day, Rabindra Jayanti, Prefects Investiture Ceremony, Parents Teachers Meeting etc (Reported in The Telegraph and The Times of India)

We are equipped to be ahead of the times and establish our leadership in all spheres.

CREATE A LEARNING ENVIRONMENT & PROMOTE ALL ROUND EXCELLENCE.

- Focus on academic and co-curricular activities (sports, arts, dance) to ensure ‘success for every child’
- Use scientific global teaching techniques – Montessori method for Pre-primary, Activity based learning, Practical learning through labs in Maths, Geography, Science & Technology
- Continuous assessment mechanism & readiness tests
- Individual focus to achieve outstanding results in board exams
- Students have received awards at international, national and state level
- Activities and competitions to build various skills and rewards/recognize the talents and efforts of students.
- Supporting facilities - state of the art smart classrooms, laboratories, playground, transport, infirmary, CCTV in all pre-primary classes and school building is WIFI enabled

We create a comprehensive academic and non-academic environment to allow all talents of our children to blossom

INCULCATE VALUES

- Run a programme called ‘Proud to be Augustinian’ which is anchored by teachers and students.
- Free Evening School for underprivileged girl children – teaching, providing free uniform shoes, books and food.
- Conduct various community service.

We are proud to nurture well mannered, respectful, responsible & compassionate human beings.

BUILD GLOBAL CITIZENS

- Focus on Spoken English, beyond the syllabus from Class III onwards
- “Future Ready” program – how to choose what to study
- Two curricula for academics and co-curricular activities with separate report card
- Progressive and comprehensive student aptitude report (Class V, VIII, X & XII)
- Grooming and confidence building sessions
- Career Counselling
- Career Fair with over 25 Universities visiting campus
- Guest lectures by leading professionals
- Model United Nations (MUN) activities held with other institutes for global understanding.

Our students display that “extra spark” that makes them stand out.
